

# Growing Together

The High Mountain Hay Fever Children's Health Fund, West Custer County Library and the CCKC are teaming up to create a year long, caregiver-kiddo interactive learning program! We will have 7 sessions throughout the year focusing on various developmental activities for kiddos ages 0-5. **Come to one or come to all!**

## Session 5: **LET'S PLAY!**

Join Occupational Therapist Lauren Fonseca and friends for *Sensory Based-Let's Play!* Learn how sensory play and body engagement impact learning through song, stories, and crafts. All are welcomed!

**When: Wednesday 9:30-10:00**

**November 22 to December 27, 2023**

**Where: Library Community Room**

**Who: Caregivers and kids ages 0-5**
